Thank you, Jane.

Also, full disclosure – I think it is going to take awhile to get the flights sorted for the Administrator and his family. I would not be surprised if it took another couple weeks. If there are any flights that can be booked for staff and advance, I would suggest we do so without waiting for his travel arrangements to be sorted. I know that we cannot do this with everyone as some folks will be traveling with him.

Travel dates are depart U.S. on June 4 – arrive Rome on June 5.
Depart Rome on June 13 and arrive back in U.S on June 13.

Samantha,

Attached please find the draft notational agenda for Italy. And per the Administrator's request, we have identified new flight options which Mark Kasman will share with Millan.
